BOARD OF REVENUE (EXCISE) DEPARTMENT

No. 3071 Abkari/44 XA.1 Dated. 13th April 1944

Subject: Arrack Warehouse - Mangalore - retention of staff for May 1944- proposal.

From the Government Revenue Department G.O.No.MS.515 dated 14-3-44

From

S. M. Hamilton, Esq.,
Assistant Secretary Board of Revenue (Excise)

J. B. Brown Esq., C.S.I., C.I.E., I.C.S.,
Member, Board of Revenue (Separate Revenue) Commissioner of Excise and Commercial Taxes.

Reference:

The Board invites the attention of the Government to paras 1 and 2 of its reference C.R.No.3071 Abkari/44 XA1 dated 26-2-44 and to para 1 of G.O.No.MS.515 Revenue dated 14-3-44. Arrangements for the manufacture and vatting of jaggery arrack in the distillery at Mangalore have not yet been completed and it is doubtful whether Mr. Albuquerque will be able to begin the supply of arrack manufactured from his distillery at Mangalore from 1st May 1944. The Board considers that Mr. Albuquerque should ~~send~~ rent the Mangalore Warehouse for the months of April and May 1944, as otherwise progress in the construction of his distillery will be retarded. Further, during April and May 1944 he will have to attend to distillation of cashew arrack and during a portion of May he will also have to build up a reserve stock of jaggery arrack for supply from June 1944 onwards. The Board has informed Mr. Albuquerque accordingly and has also made arrangements with Messrs. Parry and Co., to hand over to Mr. Albuquerque another 6000 proof gallons of molasses arrack for supply during May 1944. As the issue of arrack during April and May 1944 to depots and shops in South Kanara district has to be made from the Mangalore Warehouse only, it is necessary that the staff of one Sub-Inspector and two peons whose retention up to 30-4-44 has been sanctioned by the Government in para 1 of the Government order cited above, should be retained for a further period of one month from 1st May 1944. The actual cost of the staff for the month of May 1944 together with leave and pensionary contributions will be recovered from Mr. Albuquerque in advance and credited to Government. The Board requests that the Government may be pleased to accord sanction for the employment for a further period of one month from 1st May 1944 of one Sub-Inspector 4th grade and two peons in the Mangalore Warehouse to supervise the transactions in the Warehouse. The staff will be disbanded from 1st June 1944 fore-noon.
